Best News: Two of our guests from St. Paul men's WHO found new permanent homes. Congratulations to each of them. May it last forever!

St. Paul opened a week later than scheduled. But when they opened, they opened! 😊 With donations of pillows from Mtn. View LDS. Blankets from Mary Logan Mendoza. And others!

The men also arrived to a personal gift bag, fresh bedding, and safety from the cold and rain. The fantastic bags were contributed by Christi Lail, Council for the Homeless and Share of Vancouver; each bag held a personalized blanket for each guest to enjoy as they began their stay at St. Paul.

Thank you everyone, especially Joy Gault, Geri Hiller and Friends. *Here's to a successful new season!*

Thank you to the Soup Makers at Quarry Retirement Center.

Each Monday, as part of their activities, they make a large pot of soup. They have not missed a Monday in years. The soup is then transported by their bus to St Paul. We and our guests are blessed by these generous acts. Thank you Quarry.

Host a Drive to Support WHO!

We are so grateful to the many organizations who have already donated items. However it's just the start of this vital program, so please continue to support WHO. Our current high needs include: paper towels, Windex, disinfectant wipes, freezer bags [gallon size], sandwich bags, rain ponchos, laundry soap (pods), hot cider mix, hot drink cups, paper bowls and Swiffer cloths.

Thank you!

We are grateful to the creative and generous team from Washington DSHS who brought 26 fantastic care bags for kids on Nov. 9. Equal amounts for boys and girls. Each pack had a hat, mittens, blanket, hand warmers, Chapstick, water bottles, Kleenex, activity book, crayons/markers, granola bar. Thank you so much!
