

Inspiring volunteers to look and care for their neighbors, to lend assistance, regardless of their situation.

February 2018 whoprogram.org | facebook.com/whoprogram

WHO Teens Rock!! This season has blessed us with an abundance of outstanding teen volunteers. Some come with youth groups, others with parents, still others come solo. Everyone of them has rolled up their sleeves and jumped in.

They sort piles of bedding laundry, play games with younger guests, make lunches, set out clothing, hold donation drives, lay out the mats, serve meals—and always with a smile.

We appreciate them and so do our residents. One particular night, we had a hard time getting our elementary school-aged boys to bed. All they wanted to do was follow the cool teen guys around. The younger's even waited to wave good-bye to biggin's as they ended their shift. 😊

Is this not the cutest picture? St. Andrew Preschool & Kindergarten held a sock drive. Their principal shared that “the students donated 952 pairs of underwear and socks to Orchards Elementary and Evergreen Family and Community Resource Center. St. Andrew Lutheran Church, Preschool & Kindergarten are faith partners with Orchards Elementary School.” **Lucky WHO gets to help with this. Giving is just the best!**

Partnerships are the best!

At the end of January, we began our Starbucks donation program. Every other day we collect healthy, unsold, perishable food from the Starbucks near St. Andrew Lutheran Church—we pass along the goodies to our guests. Thank you to Starbucks and their FoodShare program and to Food Donation Connection* for bringing us together.

* Since 1992, Food Donation Collection has assisted food service companies with the development and implementation of Harvest Programs designed to provide an alternative to discarding surplus food. Learn more: foodtodonate.com

Willamette Dental Group showered us with three boxes of oral hygiene supplies for our guests. Everything all in easily transportable, reusable bags. Love this! 😊

Hey Friends! St. Andrew and St. Paul WHO both need volunteers to fill shifts. This vital program operates because of your generosity! To view dates & times of need:
