

Inspiring volunteers to look and care for their neighbors, to lend assistance, regardless of their situation.

Applebee's Flapjack Fun-draiser! So many wonderful friends joined us, in fact 345 people supported us at 3 locations: Mill Plain, 112th and Hazel Dell. **Donations totalled over \$7,000!** Multiple churches served the guests, sold tickets, and made this possible. Tons of fun—we can't say "Thank You" enough for all the generosity that came our way!

WHO thrives because of the generosity of others. Last year, a volunteer noticed how difficult it was for the men of St. Paul Vancouver to climb up and down on the floor to sleep and get up daily. Inspired to action, she took up a collection and ordered **25 new cots for the facility.** The stack of Amazon boxes arrived in late October, just days before the **new mats**, which were purchased by a grant from Council for the Homeless and the Ed & Dollie Lynch foundation.

You can help, too! WHO St. Paul needs twin sheet sets and twin comforters for the new mats.
