

We are extremely blessed by the support of St. John the Evangelist Catholic Church, who in Nov. hosted their 20th choir concert fundraiser for charity. For 15 of those 20 years, the collected funds have been donated to WHO and this year's offering was nearly \$8,000! The WHO will use this generosity with great care, as they always have. Thank you to everyone who created, donated, and participated in this event.

A double-dipper of donation generosity! On Nov. 17, the Sunshine Division of Portland pulled up in a huge truck bringing pallets of food related items for WHO. This is our first time partnering with this group. We are grateful for this new opportunity!

Spotlight on Volunteers!

Our monthly newsletter has a new feature: Volunteer(s) of the month!

For December, we would like to thank Sandy Erickson (left) and Linda Harris (right), who have volunteered for WHO for the past 16 years.

We have a scad of different nicknames for our extra volunteers. “Filler-Inners”, “Singlets”, “Indie-Volunteers” — whatever we call them, their gift is the same. They fill in when we have holes in the schedule and are invaluable to our organization.

To every one of them we say: ‘Thanks!’
