

Blessings in Abundance!

St. Andrew Lutheran Church hosted the WHO guests for Thanksgiving Day—a chance for the guests to sleep in, start the day slowly, and hang in warm and dry. Blessed to have spent the day with awesome people doing preparation for the Thanksgiving feast. Our plethora of pie was really enjoyed and we are grateful to all the volunteers behind the scenes.

Extra thanks to [Nicole Aldridge and the students and staff at the The Gardner School of Arts & Sciences](#) for the beautiful centerpieces AND the hot chocolate & cider, AND the warm socks. Thank you so much for thinking of WHO and making a difference for our guests.

Donations Needed!

Travel size toothpaste, men's and women's deodorant and razors. Thank you!

Many Thanks... Wrapping up our Season of Thanksgiving, both the St. Paul and St. Andrew WHO locations would like to thank the [Ed and Dollie Lynch Foundation](#) for their generous financial support. Our ability to support our houseless brothers and sisters couldn't happen without these funds.

And St. Andrew owes a **huge THANK YOU** to [Share Orchards Staff](#) for covering the family WHO for November in it's entirety and backing us up through December. It has saved our site!

More Gratitude...

Goes to innovative Share Engagement Specialist. These are the case managers who work with the clients each night. They created a chore punch card for our guests. Once your card is full there is a reward. Brilliant!

Our partnership with Starbucks. The yummy snacks and meal trays really go along way to making our meals healthy and easy to take along. We've been blessed with this for three years running.
