

*Dedicated support truly makes a difference!* Every season, our community steps up to serve, helping the most vulnerable members of our community. We'd like to highlight two long-standing groups:

Over a dozen years of dedication from [Vancouver Church of Christ community](#). Diane, Beth, Billy and team make it a habit to give the St. Andrew building and our staff a reprieve. They come in and cull our cupboards, fridges, donation centers and put things to rights. Then they host taco nights, yummy donuts, and tons of love ... and ask us to take the time off—thank you!

We are wrapping up 5 weeks of loyal service from the [Members and Friends of the Vancouver Washington Stake](#). This group has supported us inside and out at both St. Andrew and St. Paul Vancouver. Cared for guests, painted, scrubbed and donated two seasons of non-perishable supplies covering 44 weeks of goods. Our hearts and souls are extremely grateful!

*Loads of Laundry!* We were blown away by the generosity of Kitty and Robert Ash of All Saints Episcopal Church spent an entire volunteer shift at a local coin laundry center washing bedding for the St. Andrew WHO. It was a multi-hour job. We thank them profusely for their abundant gift to our clients. As Jane Seidel commented on our FB post: *"This is why WHO has worked for 17 years...we are lucky enough to have people like Kitty and Robert from communities like All Saints. Blessings abound!"*

*Support the WHO!* Although we are a volunteer-driven program, WHO incurs expenses for utilities, groceries, volunteer training materials, and salaries for professional case management staff. You can help with a tax-deductible donation to WHO. **Just \$28 meets our weekly costs for one guest.** Gifts small or large truly make a difference.
